

# GDPR; GENERAL DATA PROTECTION REGULATION

Impact and Implications for Companies  
in the Asia Pacific

Guidelines and Workshop on What to Do Now

**Bali, Indonesia**

The Anvaya Beach Resort

**December 2, 2019**

"Put GDPR on the agenda before  
it becomes the agenda!"

**gdpr360**  
of Cambridge

 **ERMA**  
Enterprise Risk Management Academy

# Overview

---

This workshop is designed to fast-track professionals through the GDPR in 3 days via a comprehensive syllabus that is relevant to the Asia Pacific and includes 18 modules with Q&A sessions and group exercises to consolidate knowledge and assist in a practical approach to delivering on your legal obligation under the GDPR

Workshop material is cross-referenced with the GDPR with clickable links taking you directly to the relevant recital or clause within the articles. Data Protection regulation from Indonesia, Malaysia, Philippines and Singapore are compared with the GDPR providing local context.

## Objectives

- Recognize the conditions requiring you to comply with the GDPR
- Know how to establish the necessary structures, policies and procedures
- Reinforce the correct behaviours across the organization regarding privacy risks and rights

## Outcomes

- Understand why the GDPR is relevant to your organization and the region
- Recognize what your organization must do to start addressing the GDPR
- Advocacy for privacy risk as another pillar of enterprise risk management
- Recognize that compliance is a journey not an event

## Workshop Outline

- Brief history of the GDPR
- Relevance to the Asia Pacific and territoriality
- The question of domicile, residence, citizenship or location?
- Personal Data and special categories
- Principles and accountability
- Non-consent legal bases for processing personal data
- Consent
- DPO (Data Protection Officer)
- Controllers, Joint Controllers and Processors
- Records of processing
- Privacy notices
- Data Protection Impact Assessments (DPIA)
- Data subject rights and how to respond
- Data breach notification
- Security
- Transfers
- Data protection by design and default
- Penalties

### You will also be provided with:

- GDPR workshop material
- Supplementary documentation
- Privacy impact assessment examples
- Dataflow creation template example
- An access code for free trial subscription to a SaaS compliance platform

# HOST

---

## Alan Simmonds

Co-Founder and Director of GDPR360  
Key Contributor to COBIT 5 ISACA  
United Kingdom

Alan Simmonds is a co-founder and director of GDPR360. He co-founded this with a London-based lawyer and litigator who specialises in data protection. They, with other specialists, set up GDPR360 to specifically deal with privacy risk and have developed an approach to deal with its (global) challenges from a legal perspective – this ensures that risk is always at the forefront of all activities and that all delivery is disclosable to the courts and to the regulators. Alan has a history spanning the clinical, business and standards worlds (as a prime contributor to 3 global standards) and published papers on governance. He has also authored a module for ERMA's Risk Governance Masterclass. In the ASEAN region he has co-presented a risk management series of workshops over 3 years for the directors and NEDS of all Malaysian medium-sized companies for the Malaysian Stock Exchange (Bursa Malaysia).

He holds an MBA (Effective Governance [cum laude]), BSoc Sc, BA(Hons), Dip Datametrics, CERG and has undertaken training from a lawyer and barrister on the GDPR.

## Dr. Antonius Alijoyo, ERMCP, CERG, CRMA, CCSA, CFSA, CFE, CGEIT.
